“Ye Which Are Spiritual” Restore!

Fred Nowell

As many of you know, we began a new evangelistic program called “**Love Thy Neighbor.**” It is the renewed goal of this congregation to reach as many souls for Christ as we can. In order for us to accomplish this, it is needful that you and I bring the saving message to them (Mt 28: 19-20; Mk 16:16). To help us in this endeavor, every last Saturday of the month we will be delivering to our neighbors material that will introduce them to the Lord's church, encourage them to test their Bible knowledge, give an opportunity to enroll in our Bible course and also leave them with “Searching For Truth.” It is our prayer that these things will cause a spark of interest in them to investigate God's Word, “*the power of God unto salvation to every one that believeth*” (Rom 1:16) and hopefully to “*receive with meekness the engrafted word, which is able to save their soul*” (Jas 1:21) by obeying God's commands for salvation.

Last week I was privileged to view a new DVD called “Returning to Truth.” This teaching tool is aimed at those that have fallen from the grace of God and are once again a lost soul (Gal 1:6-9; 5:4; 2 Pet 2:20-22; Rev 2:5). Our responsibility is just as great (perhaps greater) to restore the erring as it is to save one that has never believed (Gal 6:1ff). In fact, our Lord tells us in Luke 15:10 that “*there is joy in the presence of the angels of God over one sinner that repenteth.*” That's reason enough!

Brethren, have you called or made a visit to an erring Christian lately? Don't wait! Ye which are spiritual, RESTORE!
